

"OPEN THE EYES OF MY HEART"
Creating Space For God in a Hectic Life
Seventh Annual Watch Conference
Kings House, Henry, IL
August 17-19 2007

July 15 2007

Dear Friends in Christ,

Our Seventh Annual Watch Conference is going to be held August 17-19 2007 at Kings House and I am excited about what has been happening in our preparation for the weekend. It is going to be a very Spirit filled weekend filled with many new talks, new parilltergies, new ways to Spiritually renew you and your Watch communities , new break out sessions and ofcourse a great time to share our lives and our ideas with each other. Kings House gives us a great setting for being able to learn, share, and worship. If you remember our last conference you'll have to agree that it a wonderful place for the Spirit to work. Our check in for the weekend will be from 5 - 6:30 p.m. Friday night. We will have sandwiches and drinks there for you when you arrive so don't stop and eat. We will be done by 3:30 p.m. on Sunday so that people will have time to drive home. Our space is somewhat limited so please register as soon as you can. I would also ask you to give out copies of the enclosed *registration form* to your Watch community. Please bring as many of your Board and leadership as possible. It is a wonderful way to build Spirituality, community and commitment in your community. And it's a real bargain cost wise. The cost is \$120 for the weekend and includes 5 home cooked meals and 2 night lodging however Watch is paying \$55 of your fee so your cost is only \$65. All linens and towels are provided. Please bring a snack for everyone to share at our snack table .

I am so excited about getting our Watch family together once again and I know that it will be an exciting time for you as we experience how our lives can be and are touched by our Lord and each other . I am looking forward to sharing another Spirit filled weekend with you. Gods Blessings and my love always

PS: If you know of a church that is interested in starting a Watch please let me know the information so I can invite them to come to the conference. We will be paying their weekend fees.

In His Love,
